Hildebrand Pitched Great Game of Ball for the New Yorkers-Burns Also Pitched Good Game-Nice Fielding.

Plattsburg, June 26 .- While 2,000 base ball fans went crazy the home team defeated the Intercity bunch from Barre and Montpelier in the opening game of the Northern league Saturday

game of the Northern league Saturday afternoon by the score of 6 to 3. It was a gala day for Plattsburg, and the result of the game was a fitting climax.

The cause of victory was the magnificent pitching of Hildebrand, who let the visitors down with only three hits, striking out eight men and giving but two bases on balls. Burns pitched for the Intercitys and was not hit bard, but the hits came at opportune times. He the intercitys and was not hit hard, but the hits came at opportune times. He struck out five and gave three easy passes. Plattsburg played a ragged game in the field, but the weak hitting of the visitors more than balanced that. Stankard at second base made two of the visitors' three errors, but he also did some good work accepting eight did some good work, accepting eight chances. In fact all the Intercitys put up a rattling exhibition in the field. Burns made made a costly error in the eighth which started the home team on the road to victory, as up to that time the home bunch was trailing behind by two scores. Eaton backed up Burns in fine style, besides getting a hit. The outfielders on both teams had little to outhelders on both teams had little to do, not a put out or assist being marked down for the visiting trio. Dorman and McMahon pilfered bases, and Washburn took one for Plattsburg.

The scheme of player-umpires did not work well, there being a great deal of kicking over the decisions, Plattsburg in particular.

Defeated Modern Woodmen Team by a

The Goddard seminary base ball team played a second game with the Woodmen team of Graniteville, on the school campus Saturday afternoon, taking the game but not with so much ease as on the former occasion when the score was the former occasion when the score was thirteen to nothing. Saturday it was 4 to 3. The school team played a list-less game, and acted as if they didn't care whether school kept or not. But-ler allowed a grounder to slide under him. Pike slipped up once on first, Vivian dropped a fly in center. Olsen did the same thing in left field, after having a little run for it and the whole team acted as if they preferred having the ball handed to them instead of their going after it.

Knapp pitched a fairly good game, in spite of the errors back of him, as did Commusky of the Graniteville team. Fraser pitched the last part of the game for Goddard. Goddard's season will close with the annual alumni game.

A bad break at the start, but there's a better time coming for the Intercity

At the start-off the player-umpire scheme of umpiring doesn't seem to be satisfactory, as many predicted.

The Intercitys are playing in Burlington this afternoon. Tomorrow afternoon they will open the local season with a game with the Plattsburgs.
